

INNOVATE2018

ONLINE CONFERENCE

Succeed in the Cloud with AWS Training (Level 100)

Denny Daniel, Head of Training & Certification

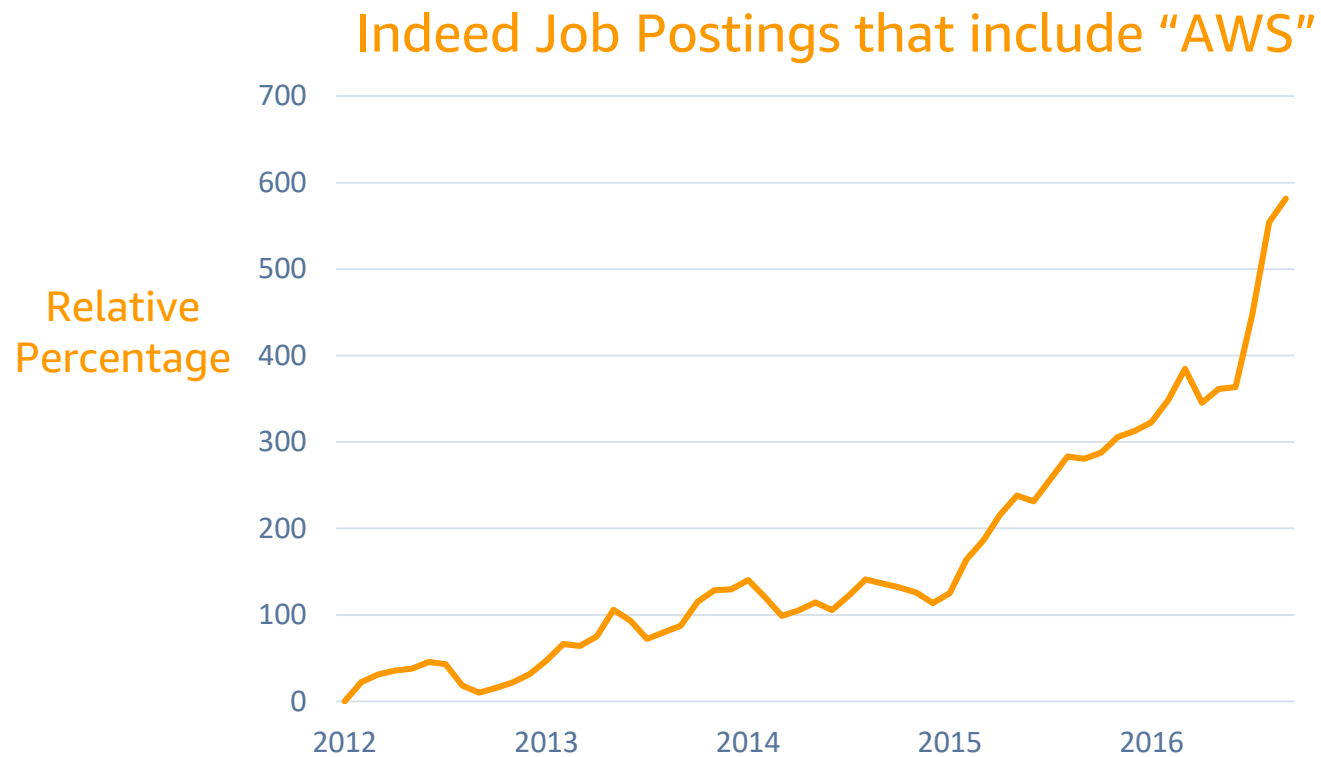

Agenda

- Why Training Is Important
 - Industry Trends
- Role Based Learning
- Specialty Training
- Certification
- Self Learning
- Call To Action

**Cloud migration has accelerated
at a rapid rate, and cloud skills
are in demand**

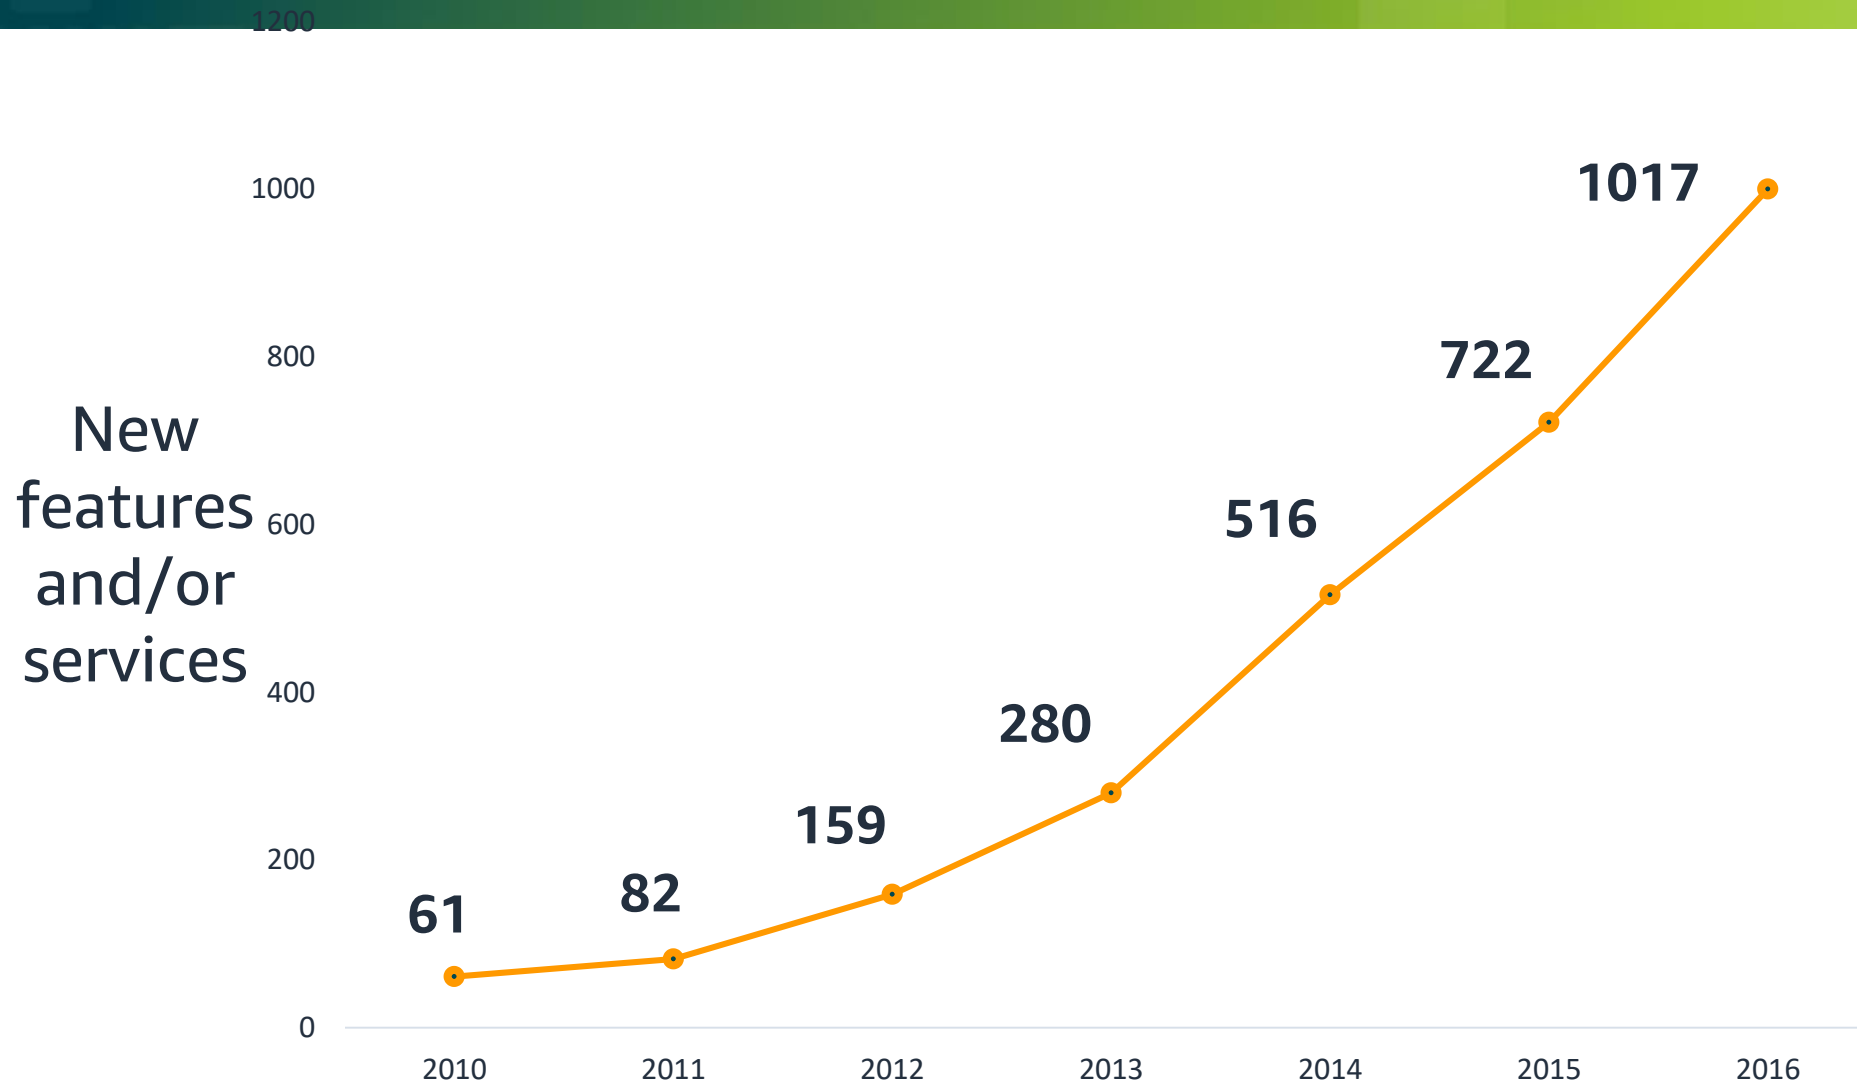

A New Challenge

Companies need **cloud expertise** now more than ever

*Indeed.com job trends, <http://www.indeed.com/jobtrends/q-AWS.html>

Rapid Pace of AWS Innovation

The Solution: Education

- You need an education strategy
- The best strategy includes your entire organization
- Think beyond today's features and services

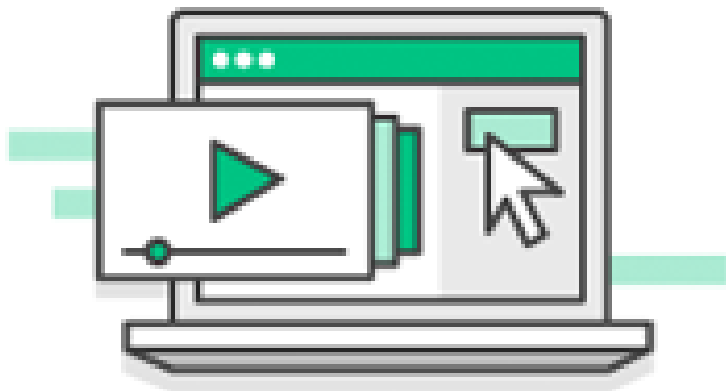

We Can Help

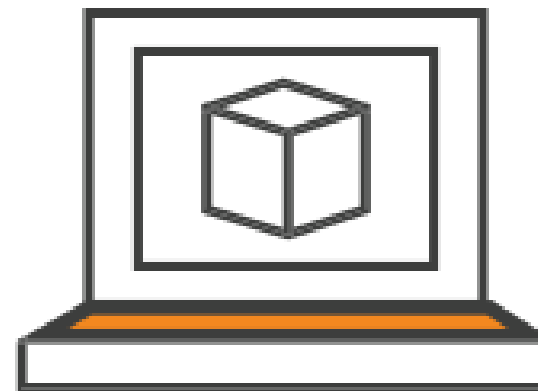

AWS Training and Certification helps you to **build cloud skills** to make your transition to the AWS Cloud **easier** so you can **get the most out of your investment, faster**

Recap

- Why Training Is Important
- Role Based Learning
- Specialty Training
- Certification
- How To Empower Yourself

Learn from AWS experts. Advance your skills and knowledge. Build your future in the AWS Cloud.

Digital Training

Free, self-paced online courses built by AWS experts

Classroom Training

Classes taught by accredited AWS instructors

AWS Certification

Exams to validate expertise with an industry-recognized credential

Ready to begin building your cloud skills?
Get started at: <https://www.aws.training/>

With deep expertise on AWS, APN Partners can help your organization at any stage of your Cloud Adoption Journey.

AWS Managed Service Providers

APN Consulting Partners who are skilled at cloud infrastructure and application migration, and offer proactive management of their customer's environment.

AWS Competency Partners

APN Partners who have demonstrated technical proficiency and proven customer success in specialized solution areas.

AWS Marketplace

A digital catalog with thousands of software listings from independent software vendors that make it easy to find, test, buy, and deploy software that runs on AWS.

AWS Service Delivery Partners

APN Partners with a track record of delivering specific AWS services to customers.

Ready to get started with an APN Partner?
Find a partner: <https://aws.amazon.com/partners/find/>
Learn more at the AWS Partner Network Booth

Thank You for Attending AWS Innovate

We hope you found it interesting! A kind reminder to **complete the survey.**

Let us know what you thought of today's event and how we can improve the event experience for you in the future.
